Corporate Governance

The Board of Directors and Its Committees

Our business, property and affairs are managed by, or under the direction of, our Board, in accordance with the California Corporations Code and our Bylaws. Members of the Board are kept informed of our business through discussions with the Chief Executive Officer and other key members of management, by reviewing materials provided to them by management, and by participating in regular and special meetings of the Board and its Committees.

Shareholders may communicate with the members of the Board, either individually or collectively, or with any independent directors as a group by writing to the Board at 12744 San Fernando Road, Suite 400, Sylmar, California 91342. These communications will be reviewed by the office of the Corporate Secretary who, depending

on the subject matter, will (a) forward the communication to the director or directors to whom it is addressed or who is responsible for the topic matter, (b) attempt to address the inquiry directly (for example, where it is a request for publicly available information or a stock related matter that does not require the attention of a director), or (c) not forward the communication if it is primarily commercial in nature or if it relates to an improper or irrelevant topic. At each meeting of the Nominating and Governance Committee, the Corporate Secretary presents a summary of communications received and will make those communications available to any director upon request.

Independence of Directors

In determining the independence of our directors, we apply the definition of “independent director” provided under the listing rules of The NASDAQ Stock Market LLC (“NASDAQ”). After considering all relevant facts and circumstances, the Board affirmatively determined that all of the directors currently serving on the Board with the exception of Will McGuire, who was employed as our Chief Executive Officer and President until March 27, 2020 and Matthew Pfeffer who was appointed as our acting Chief Executive Officer effective March 27, 2020, are independent directors under NASDAQ’s rules.

Board Meetings and Committees of our Board

The Board has three standing committees each of which has the composition described below and responsibilities that satisfy the independence standards of the Securities Exchange Act of 1934 and NASDAQ’s rules: the Audit Committee, the Compensation Committee, and the Nominating and Governance Committee. Mr. Matthew Pfeffer is Chairman of the Audit Committee, Dr. William Link is Chairman of the Compensation Committee, and of the Nominating and Governance Committee. During the year ended December 31, 2019, the Board held seven meetings, the Audit Committee held four meetings, the Compensation Committee held two meetings, and the Nominating and Governance Committee held one meeting. Each of our directors attended 100% of the combined Board meetings and meetings of the Board committee(s) of which he is a member with exception of Mr. Link who was absent at one of the meetings of the Board and Mr. Mendelsohn who was absent at one of the meetings of the Audit Committee of the Board. We do not have a policy with regard to Board attendance at the Annual Meeting.

Audit Committee

The Audit Committee consists of Matthew Pfeffer, William Link, and Aaron Mendelsohn, three non-employee directors, all of whom are “independent” as defined under section 5605(a)(2) of the NASDAQ Listing Rules. Mr. Pfeffer is the chair of the Audit Committee. In addition, the Board has determined that Mr. Pfeffer qualifies as an “audit committee financial expert” as defined in the rules of the Securities and Exchange Commission (SEC). The Audit Committee met four times during 2019 with all members in attendance at the meetings, except for Mr. Mendelsohn who was not in attendance at one of the meetings. The role of the Audit Committee is to:

- oversee management’s preparation of our financial statements and management’s conduct of the accounting and financial reporting processes;
- oversee management’s maintenance of internal controls and procedures for financial reporting;
- oversee our compliance with applicable legal and regulatory requirements, including without limitation, those requirements relating to financial controls and reporting;
- oversee the independent auditor’s qualifications and independence;
- oversee the performance of the independent auditors, including the annual independent audit of our financial statements;
- prepare the report required by the rules of the SEC to be included in our Proxy Statement; and
- discharge such duties and responsibilities as may be required of the Committee by the provisions of applicable law, rule or regulation.

A copy of the charter of the Audit Committee is available on our website at www.secondsight.com (under “Investors – Corporate Governance”).

Compensation Committee

The Compensation Committee consists of William Link, Gregg Williams and Matthew Pfeffer, three non-employee directors, each of whom we deem to be “independent” as defined in section 5605(a)(2) of the NASDAQ Listing Rules. The Compensation Committee met two times during 2019 with all members in attendance at the meetings. The role of the Compensation Committee is to:

- develop and recommend to the Board the annual compensation (base salary, bonus, equity compensation and other benefits) for our President/Chief Executive Officer;
- review, approve and recommend to the Board the annual compensation (base salary, bonus, equity compensation and other benefits) for all of our executives;
- review, approve and recommend to the Board the aggregate number of equity awards to be granted to employees below the executive level;
- ensure that a significant portion of executive compensation is reasonably related to the long-term interest of our shareholders; and
- prepare certain portions of our annual Proxy Statement, including an annual report on executive compensation.

A copy of the charter of the Compensation Committee is available on our website at www.secondsight.com (under “Investors – Corporate Governance”).

The Compensation Committee may form and delegate a subcommittee consisting of one or more members to perform the functions of the Compensation Committee. The Compensation Committee may engage outside advisers, including outside auditors, attorneys and consultants, as it deems necessary to discharge its responsibilities. The Compensation Committee has sole authority to retain and terminate any compensation expert or consultant to be used to provide advice on compensation levels or assist in the evaluation of director, President/Chief Executive Officer or senior executive compensation, including sole authority to approve the fees of any expert or consultant and other retention terms. In addition, the Compensation Committee considers, but is not bound by, the recommendations of our Chief Executive Officer with respect to the compensation packages of our other executive officers.

Nominating and Governance Committee

The Nominating and Governance Committee consists of William Link and Gregg Williams, two non-employee directors, each of whom we deemed to be “independent” as defined in section 5605(a)(2) of the NASDAQ Listing Rules. The Nominating and Governance Committee met once during 2019 with all members in attendance at the meetings. The role of the Nominating and Governance Committee is to:

- evaluate from time to time the appropriate size (number of members) of the Board and recommend any increase or decrease;
- determine the desired skills and attributes of members of the Board, taking into account the needs of the business and listing standards;
- establish criteria for prospective members, conduct candidate searches, interview prospective candidates, and oversee programs to introduce the candidate to us, our management, and operations;
- review planning for succession to the position of Chairman of the Board and Chief Executive Officer and other senior management positions;
- annually recommend to the Board persons to be nominated for election as directors;
- recommend to the Board the members of all standing Committees;
- adopt or develop for Board consideration corporate governance principles and policies; and

- periodically review and report to the Board on the effectiveness of corporate governance procedures and the Board as a governing body.

A copy of the charter of the Nominating and Governance Committee is available on our website www.secondsight.com (under “Investors – Corporate Governance”).

Policy with Regard to Security Holder Recommendations

The Nominating and Governance Committee does not presently have a policy with regard to consideration of any director candidates recommended by security holders. No security holder (other than members of the Nominating and Governance Committee) has recommended a candidate to date.

Director Qualifications and Diversity

The Board seeks independent directors who represent a diversity of backgrounds and experiences that will enhance the quality of the Board’s deliberations and decisions who each will represent the best interests of the Company and its shareholders. Candidates should have substantial experience with one or more publicly traded companies or should have achieved a high level of distinction in their chosen fields. The Board is particularly interested in maintaining a mix that includes individuals who are active or retired executive officers and senior executives, particularly those with experience in medical devices, biotechnology, intellectual property, early stage technology companies, research and development, strategic planning, business development, compensation, finance, accounting or banking.

Our Board believes that the directors nominated collectively have the experience and skills effectively to oversee the management of the Company, including a high level of personal and professional integrity, an ability to exercise sound business judgement on a broad range of issues, sufficient experience and background to have an appreciation of the issues facing the Company, and a willingness to devote the necessary time to Board duties.

Compensation Committee Interlocks and Insider Participation

During 2019, Messrs. William Link, Gregg Williams and Matthew Pfeffer served on the Compensation Committee. None of these individuals had ever been an officer or employee of ours. In addition, none of our executive officers serves as a member of the board of directors or compensation committee of any entity that has one or more executive officers serving as a member of our Board or the Compensation Committee.

Code of Conduct

We adopted a Code of Business Conduct and Ethics (“Code of Ethics”) applicable to our principal executive officer and principal financial and accounting officer and any persons performing similar functions. In addition, the Code of Ethics applies to our employees, officers, directors, agents and representatives. The Code of Ethics requires, among other things, that our employees avoid conflicts of interest, comply with all laws and other legal requirements, conduct business in an honest and ethical manner, and otherwise act with integrity and in our best interest. The Code of Ethics is available on our website at www.secondsight.com (under “Investors – Code of Business Conduct and Ethics”).

Risk Oversight

Enterprise risks are identified and prioritized by management and each prioritized risk is assigned to a Board committee or the full Board for oversight as follows:

Full Board — Risks and exposures associated with strategic, financial and execution risks and other current matters that may present material risk to our operations, plans, prospects or reputation.

Audit Committee — Risks and exposures associated with financial matters, particularly financial reporting, tax, accounting, disclosure, internal control over financial reporting, financial policies, investment guidelines and credit and liquidity matters.

Nominating and Governance Committee— Risks and exposures relating to corporate governance and management and director succession planning.

Compensation Committee— Risks and exposures associated with leadership assessment and compensation programs and arrangements, including incentive plans.

Board Leadership Structure

The Chairman of the Board presides at all meetings of the Board.

Review, Approval or Ratification of Transactions with Related Persons

The Nominating and Governance Committee reviews issues involving potential conflicts of interest, other than Related Party transactions, which are reviewed by the Audit Committee.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our directors and executive officers, and persons who beneficially own more than 10% of our common stock, to file with the SEC reports about their ownership of common stock and other equity securities of the Company. Such directors, officers and 10% shareholders are required by SEC regulations to furnish us with copies of all Section 16(a) forms they file. ITEM 11. Executive Compensation

Summary Compensation Table

The following table provides information regarding the compensation of our named executive officers, or “NEOs” during 2019. As a smaller reporting company we are not required to include a Compensation Discussion and Analysis section and have elected to comply with the scaled disclosure requirements.

The amounts represented in the “Option Awards” column reflect the aggregate grant date fair value of stock awards and option awards granted, calculated in accordance with ASC Topic 718, disregarding the estimate for forfeitures. The assumptions we used for calculating the grant date fair values are set forth in Note 9 of Notes to our consolidated financial statements included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2019 and does not necessarily equate to the income that will ultimately be realized by the NEOs for such awards.

Name and Principal Position	Year	Salary (\$) (1)	Bonus (\$) (2)	Option Awards (\$) (3)	Other (\$) (4)	Total (\$)
Will McGuire Chief Executive Officer (5)	2019	460,198	193,361	170,508	115,631	939,698

Patrick Ryan Chief Operating Officer (7)	2019	312,952	90,400	110,300	5,794	519,446
	2018	90,417	29,494	530,000	83,497	733,408

1. 2019 includes retroactive salary increase of \$8,411 for Mr. McGuire, \$2,029 for Mr. Blake and \$385 for Mr. Ryan. 2018 includes retroactive salary increase of \$6,117 for Mr. McGuire and \$1,170 for Mr. Blake which was not paid until 2019.

2. Represents the amounts earned and payable as cash bonuses for the indicated year.
3. Represents the aggregate grant date fair value of stock option awards granted during the years shown as measured pursuant to ASC Topic 718 as stock-based compensation in our consolidated financial statements. This calculation does not give effect to any estimate of forfeitures related to service-based vesting but assumes that the executive will perform the requisite service for the award to vest in full. The assumptions we used in valuing equity awards are described in Note 9 to our audited consolidated financial statements included in our Annual Report on Form 10-K, for the fiscal year ended December 31, 2019.

The Board approved the following executive and management compensation policies in December 2016 as further amended in January 2019:

- Adopted a “double-trigger” change of control severance plan for the Company’s Chief Executive Officer and certain officers who report directly to the Chief Executive Officer. The two triggers for payment of severance are (1) a change of control and (2) a “qualifying” termination, which would be termination without cause by a buyer or a voluntary resignation for good reason. A change of control is defined to include (i) an acquisition or merger in which 50% or more of outstanding voting power changes hands, and (ii) a transaction in which the sale of all or substantially all of the company’s assets occurs.
- For the Chief Executive Officer, Chief Financial Officer and Chief Operating Officer cash severance includes one year of salary continuation, bonus equal to a prorated amount for the year-to-date bonus earned but not yet paid, 100% of target bonus for the cash severance period, and a continuation of health insurance benefits for the severance period. For officers subject to the change of control severance plan, cash severance includes for the severance period (i) six months of salary continuation, (ii) bonus equal to a prorated amount for the year-to-date bonus earned but not yet paid, (iii) 100% of target bonus for the cash severance period, and (iv) a continuation of health insurance benefits for the severance period.

Compensation of Directors

During 2019 our non-employee directors were compensated with an annual retainer of \$35,000. These non-employee directors were paid their annual base compensation retainers for serving on the board and committees in cash on the first business day of every quarter. Our non-employee director who serve as Audit Committee chair also receives \$18,000 per year for their service as committee chair and non-chair committee members receive \$8,000 per year. The retainer for the Compensation Committee chairman is \$12,000 per year and the retainer for each other Compensation Committee member is \$6,000 per year. The retainer for the Nominating and Governance Committee chairman is \$10,000 per year and each other Nominating Committee member is \$5,000 per year. Additionally, our non-employee directors were paid an equity compensation retainer in the form of stock options that equal \$25,000 divided by the Black-Scholes value of the stock on the date of their issuance. The stock options (i) have a 10 year term, (ii) fully vest on the earlier of one year anniversary of grant or the date of next shareholder meeting, no partial vesting is allowed and (iv) upon ceasing to be a board member, the options may be exercised (x) for 30 days in the event of resignation, (y) 60 days in the event of termination, and (z) 90 days in the event of death. One of our non-employee directors elected, on the date of our annual shareholder meeting, to receive his base compensation retainers in the form of stock options on the same terms as the aforementioned equity compensation retainer.

The following Director Compensation Table sets forth information concerning compensation for services rendered by our non-employee directors for fiscal year 2019. The amounts represented in the "Fees Earned or Paid in

Cash" column reflects the stock compensation expense recorded by the Company and does not necessarily equate to the income that will ultimately be realized by the directors for such awards in lieu of actual cash fees, as noted above.

The column entitled "Percentage Beneficially Owned" is based on a total of 15,657,700 shares of our common stock outstanding as of March 31, 2020.

In computing the number of shares beneficially owned by a person and the percentage ownership of that person, shares of our common stock that could be issued upon the exercise of outstanding options and warrants that are exercisable within 60 days of March 31, 2020 are considered to be outstanding. These shares, however, are not considered outstanding as of March 31, 2020 when computing the percentage beneficially owned by any other person or entity.

In approving or rejecting any such proposal, our Audit Committee considers the facts and circumstances available and deemed relevant by our Committee, including, but not limited to, whether the transaction is on terms no less favorable than terms generally available to an unaffiliated third party under the same or similar circumstances and the extent of the related party's interest in the transaction.
